

Accelerated Route to Fellowship (International Arbitration Assessment)

10 and 11 December 2021 | Plus Exam

Five interactive workshops PLUS three plenary sessions explore the challenges of organizing and managing a complex international arbitration and the drafting of an enforceable reasoned award.

Presented and Organized by:

The Chartered Institute of Arbitrators' Canada,
New York and North America Branches

Venue:

Hogan Lovells
Miami, FL

The logo for Hogan Lovells, consisting of the words "Hogan" and "Lovells" stacked vertically in a white, serif font, set against a solid green square background.

Virtual Program Option

Our hope and expectation is to hold this program as an in-person event. However, if necessary, we will hold virtually on December 3, 4, 10 and 11. Notice of exercise of the virtual option will be made no later than November 19, 2021.

Testimonial: Noah Hanft – former President & CEO, CPR; Co-Founder AcumenADR

“This course was one of the most valuable and rewarding programs I have ever attended. It was rich in substance and, at the same time, conveyed how to practically apply substantive learnings. The workshop/interactive structure makes this program both fun and practical. I particularly appreciated the problems presented because they are real, and finding solutions required not only an understanding of the applicable rules and law, but the exercise of sound judgment. In sum, this course provides the thought processes to resolve and document the complex issues that arise during an international arbitration and when drafting an enforceable reasoned award. I can truly say it made me a better arbitrator.”

Special Guest Lecturer

Virtual Program Option

It is our strong preference to hold this program as an in-person event. However, in light of the fluidity of the Covid virus and the applicable safety protocols, it may be necessary to convert this program to a virtual program. We have learned that due to video fatigue, a successful virtual program requires 4 days, not 2. **If we convert to a remote video format, the program will commence at 10 a.m. Eastern Time and end at approximately 3 p.m. Eastern Time on December 3, 4, 10 and 11, 2021.**

We will advise all registrants no later than November 19th, 2021 if we will convert the program from an in-person event to a remote video program.

The award writing exam dates will not be affected.

If you register for the in-person event and we are required to convert to a virtual event, there will be no refunds. However, if your schedule does not permit you to attend on December 3 and 4, we will give you the option to attend a future event at no charge provided you let us know no later than November 29, 2021.

Accelerated Route to Fellowship (International Arbitration) Assessment

The Accelerated Route to Fellowship program is designed for senior practitioners in the field of dispute resolution. It is a qualification program; not a fundamentals training program. Successful completion of the program permits participants to apply to become Fellows of the Chartered Institute of Arbitrators, the highest grade of CI Arb membership which allows the use of the designation FCI Arb.

The program focuses on applicable laws and procedures for the conduct of efficient arbitration hearings in complex international cases. The program is comprised of three elements:

1. Oral Assessment

This element of the Accelerated Route to Fellowship Programme consists of two days of workshops (4 days if the program is via remote video conference) based on a case study of a dispute. Each participant is assessed on his/her knowledge, judgment and self-presentation during discussion of a series of problems arising during a mock complex international arbitration and role play simulations.

2. Written Assessment

Written assignments will be part of the assessment process during the workshop portion of the program. One of the written assignments will be prepared in advance of the workshops and will be collected early on the first day of the workshops.

3. Award Writing Examination

This element consists of a written, open book examination in which an award must be written and fully reasoned based on the evidence in an arbitration proceeding. The exam is administered as part of this program. To receive a passing grade, the award must meet international standards for enforcement. The exam administration and assessment fee is included in the tuition fee for the program.

Following successful completion of the three elements described above, candidates may schedule a Peer Interview. There will be a separate charge for the Peer Interview: it is not included in the tuition fee of this program.

Who Should Attend?

You are a practicing lawyer with substantial complex litigation and/or dispute resolution experience (10 years minimum is typical). For further information regarding one's qualification to participate in the program, please contact Jim Reiman, Program Director (jreiman@ReimanADR.com).

Assessment

Continual assessment throughout the workshop portion of the program, written submittals, and award writing exam.

Assessment Result

Successfully passing the oral and written assessments during the workshop portion of the program allows the candidate to take the Award Writing Examination. Successful completion of the Award Writing Examination and (separate) Peer Review Interview allows the candidate to apply for Fellow status (for full details of route to Fellowship, please visit

the CI Arb website www.ciarb.org). Candidates may apply for Associate CI Arb membership with the Chartered Institute of Arbitrators at any time.

Frequently Asked Questions

What will happen during the oral assessment portion of the program?

You will be in small groups with two or more assessors. You will be given a case study comprising a commercial contract and a set of facts describing the events which lead to a dispute between a number of parties. During the assessment workshops, various situations or problems which might arise during an international arbitration will be put to you and you will discuss how you would deal with them. There are also written and role play exercises.

What grade of membership will I be entitled to?

You may apply as an Associate member of the CI Arb at any time.

If you pass the oral and written assessments during the workshop portion of the Accelerated Route to Fellowship program, and are not already a Member of the CI Arb, you will be entitled to apply for Member status. This applies whether you sit for and pass the Award Writing Exam or not. Applying for Member status as soon as possible is encouraged as all persons applying for Fellow status must first be Members of the Institute.

If you do not pass the oral and written assessment portion of workshop portion of the Accelerated Route to Fellowship program, you will not be permitted to take the Award Writing Exam.

If you do not pass the Award Writing Exam, you will not be permitted to proceed to the Peer Interview process for Fellowship status.

If you successfully pass the workshop portion of the Accelerated Route to Fellowship program as well as the Award Writing Exam, you will be able to schedule a Peer Interview. There will be a separate charge for the Peer Interview process: it is not included in the tuition cost of this program. Following successful completion of the Peer Interview you may apply to upgrade your membership level from Member to Fellow status.
