

Pathway to Membership Course

August – November 2023

This course is a Pathway to Membership Course in Domestic Arbitration (Module 1) delivered by [Ciarb's Scottish Branch](#). Ciarb's Pathway in Domestic Arbitration is a valuable opportunity for anyone who wants to learn the skills required to provide an award during a domestic arbitration case.

The course provides candidates with a detailed knowledge of the law underpinning arbitration and the procedural elements of a Domestic (ie. non-international) Arbitration, to enable them to understand and participate in such proceedings.
