Accelerated Route to Fellowship (International Arbitration) Assessment

The three-day Accelerated Route to Fellowship program is designed for senior practitioners in the field of dispute resolution. Fellowship is the highest grade of CI Arb membership and allows the use of the designation FCI Arb.

The program focuses on applicable laws and procedures for the conduct of efficient arbitration hearings in complex international cases. Satisfactory assessment of performance in role play exercises will permit the candidate to take the award writing examination for qualification as a Fellow of the Chartered Institute of Arbitrators, which will be administered as part of the program.

The three-day program is a process comprised of three elements:

1. Oral Assessment

This element of the [Accelerated Route to Fellowship](#) Programme consists of two days of oral assessment based on a case study of a dispute. You will be assessed on your knowledge, judgment and self-presentation on a series of problems, written exercises and role play, as well as your reasoned award writing ability.

2. Written Assessment.

Written assignments will be part of the assessment process during the workshop. *One of the written assignments will be prepared in advance of the workshop and will be collected early on the first day of the workshop.*

3. Award Writing Examination

This element consists of a written open book examination in which an Award must be written and fully reasoned, based on the evidence in an arbitration proceeding. The exam is administered as part of this program. To receive a passing grade, the Award must meet international standards for enforcement. This element is included in the tuition cost of this program.

Following successful completion of the three elements described above candidates may apply for a Peer Interview. There will be a separate charge for the Peer Interview process: it is *not* included in the tuition cost of this program.

Who Should Attend? Practicing lawyers with at least 10 years litigation and/or Dispute Resolution experience. For further information regarding one's qualification to participate in the program, please contact Jim Reiman, Program Director (jreiman@ReimanADR.com).

Assessment. Continual assessment throughout the workshop, written submittals and award writing exam.

Assessment Result. Successfully passing the Oral and Written assessments at the Accelerated Route to Fellowship program allows the candidate to take the Award Writing Examination. Successful completion of the Award Writing Examination and (separate) Peer Review Interview allows the candidate to apply for Fellow status (for full details of route to Fellowship, please visit the CIARB website www.ciarb.org). Candidates can apply for Associate membership with the Chartered Institute of Arbitrators at any time.
