---

<sup>1</sup> Voting Members are Members with Associate status, Members Status, Fellow Status and Chartered Status as described in the Bye-Laws, who are entitled to the Ordinary privileges of Membership including voting at general meetings of Ciarb.

9. Where there is to be an election by vote, the Executive will forward all canvassing material to the Independent Scrutineer for confirmation as to whether the material complies with the requirements set out in this guidance. The Independent Scrutineer will make a final determination on this and there is no right of appeal against their decision.
10. The Executive will place approved canvassing material on the Ciarb website and will email members eligible to vote with a hyperlink so that the material can be accessed and read by them.
11. Candidates should aim to spend a modest sum only on canvassing (as a guide, no more than £100); this must be at their personal, not branch, expense.
12. There should be no improper inducement for support, such as directly or indirectly providing any food, drink or entertainment with the intention of influencing any voter to vote or refrain from voting.

## **Results**

13. Results will be notified to the candidates by email as soon as they are available and ratified and then published on the Ciarb website.
